## Personalized T-Shirts for Yoga Studios

### Exclusive Designs

When you order shirts with one of our designs, no other yoga studio in your area will be allowed to use the same design. You have exclusive rights for one year and they are extended when you re-order.

### Personalized Just For You

We take your studio name and incorporate it into your choice of one of our 18 designs. For an extra charge, logos and special fonts may also be used depending on how well they go with the design. If necessary we'll make an alternative suggestion. If you want a color combination other than what is shown, let us know. This requires a PDF color proof e-mailed to you for approval.

### A Small Investment

You can have your own T-shirt, personalized with your studio name, for an order as few as 24 shirts per design.

### Special Design Orders

We can also create a new design especially for you. Send us your logo and a rough idea and we'll work up a design and estimate for your approval.

Minimum order: 48 shirts.

### Other Ordering Information

Logos and special fonts: \$25 setup charge. Artwork must be clean, sharp, black and white, fairly large—no business cards please. 600dpi output or PC diskette or CD disk with fonts converted in AI, EPS, WMF, TIF or PDF format. Logos and fonts can also be e-mailed. First time orders must be pre-paid by check or money order (no credit cards). North Carolina orders: send a Certificate of Resale with your order or add 7% sales tax. Orders will be shipped by UPS within the USA. Prices subject to change without notice.

### Approval by E-mail (or Mail)

You will be e-mailed a PDF proof for approval. (Or proof can be sent by mail.) Actual ink and shirt colors may vary. Exact color matches cannot be guaranteed.
